PRODUCTION, MIXING, MASTERING WITH WAVES – BOOK SESSIONS
UPDATE NOTES

<u>LOGIC NOTES</u>

Updating the sessions requires a few simple steps:

1. Download the zipped stuffed files corresponding to the sessions you wish to use.
2. Unzip the files.
3. Move the session file into the books' session folder.
4. Open the session with the new session file (marked as V5)
5. Locate the audio files using the programs' dialogue.
6. Run the session.

Note: Due to the fact that Logics' mixer does not allow one to dial in exact values and occasionally uses a neighboring value instead, certain differences may be audible when comparing the sessions' mix to the unmastered version supplied with the book.

Enjoy!
